

Material safety data  
sheet  
Revised 05/18/04

Section 1

Manufacture Information

Manuf/Dist. name: Danny's Dealer Supplies Inc.  
 Company Address: 1037 Okeechobee Rd. Unit 1  
 West Palm Beach Fl. 33401  
 Company phone: 561-822-9994 Fax 561-655-1522  
 Emergency phone: 800-535-5053 Infotrac 24 hours Medical information  
 Trade name: Banana Crème  
 Part Number: Dds.407  
 Chemical name: Not Applicable  
 Chemical Family: Not Applicable  
 Formula: Proprietary  
 Product code: Not Applicable

Hazardous material identification

Product name: Banana Crème Dds.407  
 Hazard rating: 0 = Insignificant

Health	1
Fire	0
Reactivity	0
Specific	

1 = Slight  
 2 = Moderate  
 3 = High  
 4 = Extreme  
 \* = Special

Section 2

Hazardous ingredients

Hazardous ingredients See CFR29 § 1910.1200 (i)-(13)  
 Chemical name CAS number Percentage PEL-OSHA TLV-ACGIH  
 No hazardous components  
 Carcinogens NTP: not listed OSHA: not listed IARC Monograph: no listed

Section 3

Effects of overexposure First aid procedures

Health effects acute and chronic  
 Eyes: Can cause severe irritation, redness, tearing, blurred vision.  
 Skin: Prolonged and repeated contact can cause moderate irritation, de-fatting, dermatitis.  
 Ingestion: Can cause gastro intestinal irritation, nausea, vomiting and diarrhea.  
 Inhalation: Can cause mild irritation.  
 Chronic: Inhalation may increase susceptibility to repertory illness.  
 Emergency First aid procedures  
 Eyes: Flush with plenty of water for 15 minutes.  
 Skin: Immediately flush skin with plenty of running water for 30 minutes. Remove contaminated clothing and wash before reusing.  
 Ingestion: Do not induce vomiting. Call physician immediately. Drink copious amounts of water or milk, consult physician.  
 Inhalation: Breathe fresh air. Administer oxygen if breathing is difficult.  
 Contact a physician if problem continues.  
 For emergencies contact Infotrac 800-535-5053

<u>Section 4</u>	<u>Physical data</u>
Appearance	Yellow crème
Odor	Banana
Solubility in water	Soluble
Vapor pressure mm hg	<25
Boiling/melting point (F)	>212°F
Vapor density (air=1)	1
Evaporation rate (butyl acetate=1)	<1
Percentage volatile by weight (%)	78.00
Specific gravity (water-1)	1

<u>Section 5</u>	<u>Fire, Explosion and Reactivity hazard data</u>
Flash point °F	None
Flammability limits in air (%V)	LEL-N/A UEL-N/A
Extinguishing media	Non-flammable, but residue can burn after water evaporates. In case of fire use water spray, carbon dioxide, alcohol type foam.
Special fire fighting procedures	SCBA should be used in fighting fires involving chemicals.
Unusual fire and explosion hazards	None
Chemical incompatibility	Salt solutions or acids may coagulate products.
Hazardous decomposition products	Burning may produce oxides, and hydrocarbons.
Hazardous polymerization	Will not occur.
Stability	Stable

<u>Section 6</u>	<u>Spill or leak procedures Waste disposal method</u>
Spill or leak procedures	Avoid contact with Alkalies, glass, concrete, and other silicone materials, metals and many other materials including rubber, leather, and certain organic substances.
Waste disposal method	Dispose of according to local, state and federal regulations.

<u>Section 7</u>	<u>Precautions for safe handling and use</u>
Respiratory	None required for local use
Ventilation	Below TLV(s)
Eye protection	Safety glasses should be worn in all industrial operations.
Handling instructions	Avoid eye contact and prolonged contact with skin. Wear protective gloves. Use adequate ventilation. Wash thoroughly after handling.
Work practices	Eye wash fountain and safety shower should be easily accessible. Provide adequate ventilation.
Hygienic practices	Avoid contact with eyes, skin and clothing.

<u>Section 8</u>	<u>Special precautions</u>
Handling precautions	Do not store under freezing conditions. Protect from physical damage.
Maintenance precautions	Do not store near acids or acidic materials or oxidizers. When working with flammable material electrically ground all equipment.
Other precautions	Containers even those that have been emptied will retain product residue and vapors. Always obey hazard

warnings and dispose of containers according to state or local guidelines.

Additional precautions

None

**KEEP OUT OF REACH OF CHILDREN**
