Hazardous material identification

Product name:

Hazard rating:

Odor Control

Dds.460

0 = Insignificant

1 = Slight

2 = Moderate

3 = High

4 = Extreme

* = Special

Health	1
Fire	2
Reactivity	0
Specific	

Section 2

Hazardous ingredients

Hazardous ingredients See CFR29 § 1910.1200 (i)-(13)

Chemical name	CAS number	Percentage	PEL-OSHA	TLV-ACGIH
Not applicable	Not applicable	Not applicable	Not applicable	Not applicable

Carcinogens NTP: no OSHA: no IARC Monograph: no

Health hazard: None expected at use level. This product is a mixture, which no health hazard data exists. The hazard communication standard requires that such mixtures be assumed to present the same health hazard as do components that contribute at least 1% of mixture (0.1% for carcinogen), although OSHA has noted that the hazard of individual components may be altered by including them in a mixture. The ingredients are trade secrets.

Section 3

Effects of overexposure First aid procedures

Health effects acute and chronic

Eyes: Can cause severe irritation, redness, tearing, blurred vision.

Skin: Prolonged and repeated contact can cause moderate irritation,

Ingestion: Serious health effect if swallowed.

Inhalation: Can cause irritation of nasal or respiratory passages.

Chronic: Inhalation may increase susceptibility to repertory illness.

Emergency First aid procedures

Eyes: Flush with plenty of water for 15 minutes.

Skin: Immediately flush skin with plenty of running water for 30 minutes.
 Wash with soap and water.

Ingestion: Drink copious amounts of water or milk, consult physician.

Inhalation: Breathe fresh air. Administer oxygen if breathing is difficult.
Contact a physician if problem continues.
For emergencies contact Infotrac 800-535-5053

Section 4

Physical data

Appearance	Yellow/green
Odor	lemon
Solubility in water	100%
Vapor pressure mm hg	Not determined
Boiling/melting point (F)	Not determined
Vapor density (air=1)	Heavier than air
Evaporation rate (water-1)	Slower than n-Butyl Acetate
Percentage volatile by weight (%)	Not determined
Specific gravity (water-1)	1.034

Section 5

Fire, Explosion and Reactivity hazard data

Flash point °F	115°F (COC)
Flammability limits in air (%V)	Not determined
Extinguishing media	Water spray, dry chemical, foam or carbon dioxide.
Special fire fighting procedures	Use NIOSH/MSHA approved respirator and full protective gear.
Unusual fire and explosion hazards	None known
Chemical incompatibility	Avoid contact with acids and strong oxidizing agents.
Hazardous decomposition products	Carbon dioxide or carbon monoxide and smoke on combustion.
Hazardous polymerization	Will not occur.

Section 6

Spill or leak procedures Waste disposal method

Spill or leak procedures	Absorb large spills with suitable absorbent. Wash residue down drain or pit area with plenty of water.
Waste disposal method	Dispose of according to local, state and federal regulations.

Section 7

Precautions for safe handling and use

Respiratory	None normally required with adequate ventilation.
Ventilation	Local exhaust below TLV
Eye protection	Safety glasses should be worn in all industrial operations.
Handling instructions	Avoid eye contact and prolonged contact with skin. Wear protective gloves. Use adequate ventilation. Wash thoroughly after handling.
Work practices	Eye wash fountain and safety shower should be easily accessible. Discard properly such items as rags and trash soaked with the product. Provide adequate ventilation.
Hygienic practices	Avoid contact with eyes, skin and clothing. Avoid inhalation of product vapors. Remove contaminated clothing promptly and wash before reusing.

Section 8

Handling precautions

Special precautions

Do not store under freezing conditions.

Protect from physical damage.

Do not store near acids, acidic materials or oxidizers.

Maintenance precautions

When working with flammable material electrically ground all equipment.

Other precautions

Containers even those that have been emptied will retain product residue and vapors. Always obey hazard warnings and dispose of containers according to state or local guidelines.

KEEP OUT OF REACH OF CHILDREN
