Section 1

Manufacture Information

Manuf./Dist. name: Danny's Dealer Supplies Inc.
 Company Address: 1037 Okeechobee Rd. Unit 1
 West Palm Beach Fl. 33401
 Company phone: 561-822-9994 Fax 561-655-1522
 Emergency phone: 800-535-5053 Infotrac 24 hours Medical information
 Trade name: Tint Off
 Part Number: Dds.416
 Chemical name: N/A
 Chemical Family: N/A
 Formula: Proprietary
 Product code: Not Applicable

Hazardous material identification

Product name: Tint Off Dds.416
 Hazard rating: 0 = Insignificant
 1 = Slight
 2 = Moderate
 3 = High
 4 = Extreme
 * = Special

Health	1
Fire	0
Reactivity	0
Specific	*

Section 2

Hazardous ingredients

Hazardous ingredients See CFR29 § 1910.1200 (i)-(13)

Chemical name	CAS number	Percentage	PEL-OSHA	TLV-ACGIH
Alkaline builders	Trade secret	6-7	N/A	N/A
Surface Active agents	Trade secret	3-4	N/A	N/A
Inert ingredients	7732-18-5	88-89	N/A	N/A

Carcinogens NTP: no OSHA: no IARC Monograph: no

Section 3

Effects of overexposure First aid procedures

Health effects acute and chronic

Eyes: Can cause severe irritation, redness, tearing, blurred vision.
 Skin: Prolonged and repeated contact can cause moderate irritation, de-fatting, dermatitis.
 Ingestion: If aspirated (liquid enters the lungs), it may be rapidly absorbed through the lungs and result in injury to other body part. Gastro-intestinal distress.
 Inhalation: Can cause irritation of nasal or respiratory passages. Also can cause dizziness, weakness, fatigue, nausea, headache, possible unconsciousness and even asphyxiation.
 Chronic: N/A

Emergency First aid procedures

Eyes: Flush with plenty of water for 15 minutes. Use 3% boric acid solution and flush eyes to neutralize product.
 Skin: Immediately flush skin with plenty of running water for 30 minutes.

Ingestion: Remove contaminated clothing and wash before reusing.
 Call physician immediately for advise. This is an aqueous alkaline detergent solution.

Inhalation: Breathe fresh air. Administer oxygen if breathing is difficult.
 Contact a physician if problem continues.
 For emergencies contact Infotrac 800-535-5053

<u>Section 4</u>	<u>Physical data</u>
Appearance	Colorless liquid
Odor	N/A
Solubility in water	Soluble
Vapor pressure mm hg	N/A
Boiling/melting point (F)	N/A
Vapor density (air=1)	N/A
Evaporation rate (water-1)	N/A
Percentage volatile by weight (%)	N/A
Specific gravity (water-1)	N/A

<u>Section 5</u>	<u>Fire, Explosion and Reactivity hazard data</u>
Flash point °F	None
Flammability limits in air (%V)	None
Extinguishing media	Water fog, carbon dioxide, or dry chemicals.
Special fire fighting procedures	Clear fire area of unprotected personal. Do not enter confined fire area without full bunker gear including a positive pressure mode breathing apparatus.
Unusual fire and explosion hazards	N/A
Chemical incompatibility	None
Hazardous decomposition products	Burning may produce carbon monoxide, carbon dioxide.
Hazardous polymerization	Will not occur.

<u>Section 6</u>	<u>Spill or leak procedures Waste disposal method</u>
Spill or leak procedures	Absorb large spills with suitable absorbent. Shovel into containers.
Waste disposal method	Dispose of according to local, state and federal regulations for products containing petroleum distillates.

<u>Section 7</u>	<u>Precautions for safe handling and use</u>
Respiratory	If TLV of product or any component is exceeded an appropriate NIOSH approved organic vapor-type respirator is advised if absence of proper environmental controls.
Ventilation	Local exhaust below TLV
Eye protection	Safety glasses should be worn in all industrial operations.
Handling instructions	Avoid eye contact and prolonged contact with skin. Wear protective gloves, clothing and boots. Use adequate ventilation. Wash thoroughly after handling.
Work practices	Eye wash fountain and safety shower should be easily accessible. Discard properly such items as rags and trash soaked with the product. Provide adequate ventilation.

Hygienic practices Avoid contact with eyes, skin and clothing. Avoid inhalation of product vapors. Remove contaminated clothing promptly and wash before reusing.

Section 8

Special precautions

Handling precautions

Do not store under freezing conditions.

Protect from physical damage.

Keep away from open flame or ignition sources.

Maintenance precautions

Store in plastic container.

Other precautions

Containers even those that have been emptied will retain product residue and vapors. Always obey hazard warnings and dispose of containers according to state or local guidelines.

Additional precautions

Cool fire exposed containers with water fog.

Shipping information. UN/NA#, secondary container label necessary or suggested

KEEP OUT OF REACH OF CHILDREN
